

BARKLEY JAM!

SHUT UP AND

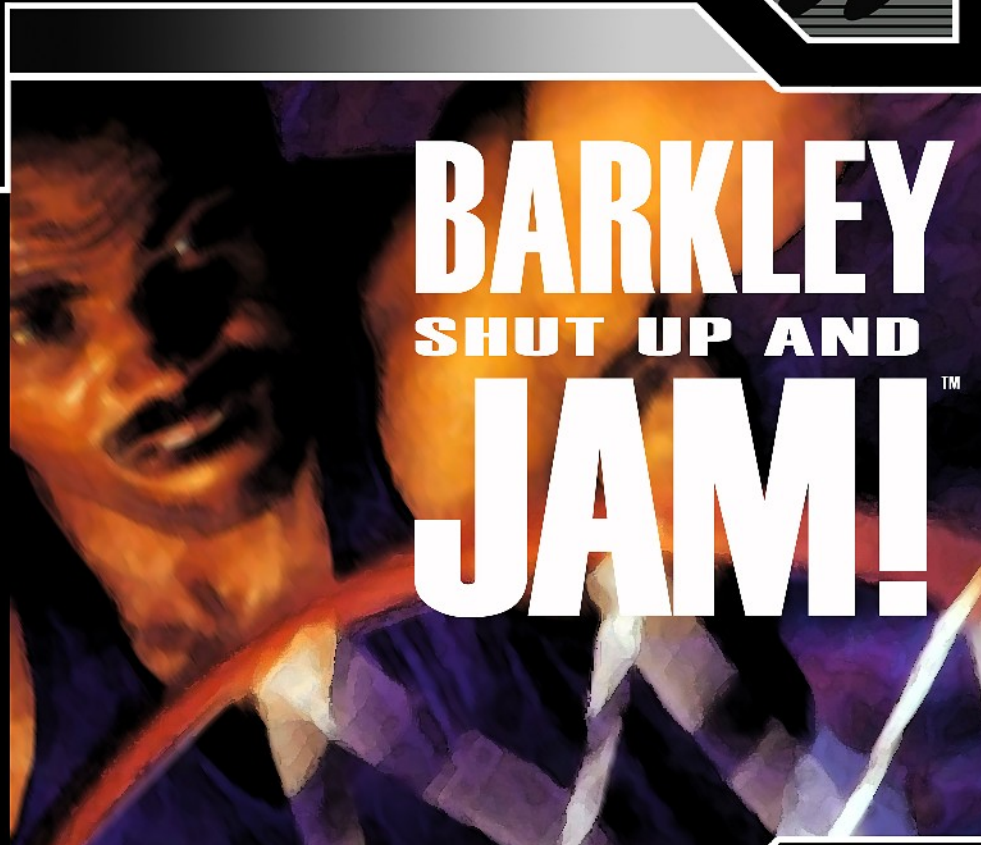

Get ready for the fast and furious action of BARKLEY: Shut Up and Jam! This is two-on-two street ball in the hood: chain nets, blacktop courts, and no refs to save you from the tenacious D you'll face. You can team up with Sir Charles to take on some of the meanest, nastiest street ballers you've ever seen in seven different cities. In each game, you have the option of playing to a pre-determined point total, with timed quarters, or until you're exhausted. If you're up for a challenge, play the Tournament mode and try to earn a trip to the arena, where you'll face off against Charles Barkley himself.
