

Ogre Battle™

March of the Black Queen

It's up to you to defeat the Empire!

It's been nearly a quarter of a century since the Zetegian Empire first conquered the Kingdoms of Zenobia with a wrath of fear and bloodshed. You are the leader of a band of rebels who have fought to preserve the last shred of honor in this desperate time of treachery. This sets the somber scene for *Ogre Battle*, the first in the superb line of fantasy, role-playing and simulation sagas from Enix. Manage the ranks of a full-blown rebel army complete with hundreds of characters, magic items, weapons, and mystical Tarot cards. You must succeed in ousting the evil emperors, as your fate and that of the entire population depends on it!

- Unique Battle System!
- Have the opportunity of being good, neutral or bad!
- 13 possible endings enhance replay value!
